# Life-changing prizes. Life-changing impact.

Your support of The Hospital Research Foundation Home Lottery has a real impact, right now and helps;

- fund life-changing medical research to find cures and improve care for all South Australians;
- provide vital equipment for our local hospitals, in all corners of South Australia;
- deliver health programs and services to improve patient care and quality of life.

Our fight for a healthier community needs your support. We are stronger together.

Thank you for joining the fight.

# Thank you for making the 'everyday' possible

## Thank you for supporting The Hospital Research Foundation Home Lottery.

Because of you, we can fund life-changing medical research to find cures and improve care, helping make special 'everyday' moments possible for South Australians.

Last year alone, thanks to you, we have been able to:

- Improve people's quality of life after bowel cancer treatment, through new ways to manage their pain and fatigue
- Drive a breakthrough in mental health medication that reduces adverse side-effects like weight gain
- Begin a vital study that aims to diagnose Alzheimer's disease earlier, when treatments can be more effective
- Fund a trial that helps older people fall safely by learning Judo, preventing hospital admissions
- Advance understanding in how cancers grow and spread around the body, in order to develop new treatments
- Fund equipment, allied health services and research to benefit patients in both hospitals and the community
- *And so much more.*

You can feel proud your Home Lottery ticket is having a real impact, right now on the health of all South Australians.

Thank you for your support.

*Dr Paul Joyce, University of South Australia,  
improving mental health medications.*
